gest report of convention preliminaries THAT'S WHAT MARK HANNA TELLS SENATOR LODGE

> In Comes the Bostonian and Presents Bis Ultimatum to McKinley's Manager, Informing Him That It's Either Accept a Gold Plank or See His Plans Upset-Banns Rises to the Occasion and Lodge Punishes Him by Refusing to Talk With Him-Knives Drawn When the Missourians Meet,

St. Louis, June 15.—There was a lively scene in Hanna's room this morning manner in which it was presented, and he proceeded to notify Lodge in no uncertain way that he could not be forced and that he could not talk with Lodge on the subject

"If you own this convention, Hanna," he said, "go on and run it your own way. I shall not talk with you," and Lodge left the room.

Bad blood between Filley and Kerens

of the Missouri delegation developed to-day after the delegation had been in day after the designion had seen in session an hour and a haif at the South-ern. Mayor P. D. Halstain of Sedalia drew a knife on Delegate Berry, in the secret session, but was seized and prevented from making a personal attack. The Kerens faction had be the Filiey people on several issues rais-ed. After the test vote on a proposi-tion to postpone the selection of a national committeeman until after the contest from Missouri had been passed upon, Haistain made a slight remark regarding Missouri's "old man," Berry was on his feet instantly and made sharp personal attack on The latter grew pale as death at the words flung at him by Berry. He drew from his pocket a knife which warned the other committeemen that it was time for them to not. They pushed in between the angry factionists, separ-nted them, and the fight was, for the

time, at an end.

The Missouri delegation divided for Frank H. Gould of Stockton will probably be chairman of the convention. It is anticipated that the convention will declare for free silver.

COMING LOCAL EVENTS.

Kerens and Filley, went into session this afternoon. At 12:15 it was an nounced that they had not selected their officers because of a tie vote. The Kerens people deny that they have abandened McKinley because Filley had been in conference with Hanna They were still for McKinley.

#### PLATFORM BEFORE CANDIDATES Convention Will Take Early Action on the

Currency Question St. Louis, Mo., June 15 .- The probable procedure in the convention will re-sult in a series of interesting sessions each day from the opening on Tuesday until the adjournment on Saturday or later. Those famaliar with the situaconvention may continue beyond the The convention will be called to order

the reading of the call, the installing of temporary officers, and the appointment of committees on temporary or-ganization and order of business, on esolutions and credentials. It is not known whether Chairman Carter will Mr. Long Secures a Donation for Garffeld make any remarks in opening the convention or not. It is safe to say, however, that the temporary chairman he blowing letter:
"Sir-The Honorable Chester I. Long the best speech of which he is capable. has requested this bureau to issue to. The varied procedeings of the session your post a condemned cannon and and the session which will follow in the evening, will probably be interspersed cannon balls available for the purpose of the committee on permanent organish rewith enclosed, and you are requested to indicate the particular kind ably be presented and acted upon, and of the convention.

"All expense for handling and trans-portation must be borne by the post. The permanent chairman will be John The permanent chairman will be John M. Thurston of Nebraska, and the temperary chairman C. W. Fairbanks of Indiana. Both of these gentlemen are far-famed orators, and the temporary chairman will, on taking up the gavel, undertake to deliver the speech of his life. It is safe to say that, pending the receipt of the report of the committee day and Thursday, and possibly Friday, will be devoted to general convention business, interspersed with oratorical efforts by famous orators of the

Republican party in attendance.

At all of the sessions it is probable that resolutions will be received and referred to the committee on resolution the convention may direct. Whether the important money question will be precipitated before the convention beprecipitated before the convention be-fore the report is received from the com-mittee on resolutions is questionable, but, regardless of any rule which may be adjusted, the tenging on this countries. be adopted, the tension on this question is so great that the discussion is liable to be precipitated at any time, and it is threatened by some silver men. It is hardly to be expected that the report of the committee on credentials can be prepared and presented to the conven-tion before Thursday night or Friday morning if the contests are considered as thoroughly as by the national com-

There are 168 contests and it is doubt ful if the committee on oredentials can pass upon the question, giving any rea-sonable attention to the facts, short of three days and three nights, unless th rule of the national committee should be adopted. The report of the commit tee is liable to precipitatte the most lively convention scene witnessed in

Next will probably come the report of the committee on resolutions. This committee will have clear sailing until the currency question is reached that question, in the committee, and later in the convention, interest will be ntense, and the oratorical efforts pro-A member of the national committee,

discussing the probable leacth of the convention, said: "Considering the whole situation it is difficult to see how the report of the committee on credentials can be disposed of before mid-night on Friday by the convention, verefore, according to the natural ordutes will not occur until Saturday

Owing to the interest taken in the money question, the convention will scarcely defer action on the platform until after the nomination of candi-dates. It is well known that, when the communition of the candidates takes tukes grates, and the gold-standard men, who seem to predominate in the convention, will not take chances on leaving the silver men in possession when the platform is to be passed upon. This re-sult might obtain, or indeed, any result might be expected if the adoption of the platform should be deferred until after the nomination of the candidates. No one could predict what the platform would be in such an event.

Yo may a respect for ourselves guides or morals; and to have a deference for there governs our manners. -Sterne.
